

Commander's Corner

Ty Cobb
Post 1084 Commander

June 3, 2021

Members and Friends:

Welcome to summer. Our post is doing well and we're looking forward to getting back into helping veterans at Hines, North Chicago and Fisher House. We're back to paying our bills and adding funds from the gaming machines back into the Capital Asset Account. We expect two more machines to be set up in the next week or two. Our future is bright for sure!

Be sure to stop by the post to see the improvements which have been made. The Legion Family got together to beautify the property with plantings and mulch and the House Committee expanded the brick pavers on the patio!

Early returns show that **Poppy Day** collection for the Auxiliary was a success. Thank you to the Auxiliary and all who participated in helping make it a success.

Thanks to Tim O'Neil and the Color Guard for another solemn ceremony honoring our fallen military men and woman on **Memorial Day**.

The **Roselle Cruise Nights** are beginning Friday June 4 through September 24th 6 to 9 PM. There will be entertainment each week along with food, drinks and raffles to help you enjoy the evenings. Our web site has a listing of the bands each week and I will post the upcoming bands weekly on our outside electric sign.

Saturday June 5th is the 2nd annual **BBQ on Maple** sponsored by our Sons of the Legion. This event is open to the public with BBQ food available starting around 11 am. Come out to see who has the best local BBQ and support our Sons of the Legion event.

Our **Flag Retirement** event will take place on Saturday June 12 beginning at 11 am. Please volunteer to help our sergeant-at-arms with this vital community service.

The Thursday June 3 **Executive Committee** meeting has been postponed due to a shortage of available members. Please contact me if you have any concerns or issues which would normally be taken up by the Executive Committee. All matters can be discussed electronically.

The Legion would normally install their new slate of officers at the June meeting but, due to a shortage of officers available to attend, the installation will take place at the July meeting.

Finally, there are ongoing discussions about whether we should schedule a formal **Installation Dinner** as we have done in the past. Attendance has been very low the past few years and it may not be worth the expense when considering our last 15 months. Stay tuned!

Ty Cobb, Commander
