Commander's Corner

Ty Cobb
Post 1084 Commander

Members and Friends:

I apologize for getting this month's message out late. Mea Culpa!!

The post has weathered the storm of the past year thanks to the efforts of so many members and friends. We are again paying our bills with current income and are receiving the benefits of our gaming machines and other raffle games.

We are looking forward to a full season of the **Roselle Auto Show** running from Friday June 4th through Friday September 24th. We'll be working with the show's organizers to make this the best year ever. Details will be posted on our website as they become available. Please help promote all of our fundraising games and remember to be a gracious host to the community. We are still considering offering food for sale beyond the food trucks. The House Committee will discuss this topic at the May 4th meeting.

Parking lot maintenance has finally been completed. We were not eligible for TIF money, as those funds are not for regular maintenance of property.

The Sal Squadron 1084 will be holding their 2nd annual **Smoking on Maple BBQ** competition outdoors at the post on June 5th. It will be open to the public subject to State guidelines. Barq BBQ will be selling lunches. Please consider supporting our post events.

The Auxiliary is planning their **Poppy Day** event and details will be announced soon.

The Taste of Roselle is scheduled for Friday July 30 through Sunday August 1. The Legion will participate as usual with more information to follow.

The annual **Roselle Sip and Stroll** is still scheduled for Saturday, July 10. The Post will also participate as we have in the past.

The Post is looking for two volunteers to represent the Legion on the **Flags for Roselle** Committee for next year. Our current members, Bob and Joyce Benko, will be moving out of state. Please give this consideration. There are only a few meetings each year to organize and implement the program.

The Auxiliary will be holding a **Poppy Day Poster Contest** with May 15th as the final submission date. Please see the attachments to this mail.

The Legion is now part of the Roselle Centennial Committee.
