Post 1084 Commander

Members and Friends:

At the time of this writing, our Post is still unable to offer face-to-face support of our veterans at Fisher House and Hines and North Chicago Hospitals due to the Covid situation. In light of those restrictions, and our reduced Post capacity, I'm still very excited to see the involvement I've witnessed in support of our programs and fundraisers.

Let me begin by thanking everyone who participated in buying and/or selling our **Super Bowl Raffle** tickets. After payouts to the winners, our profit was **\$2,450!** This figure is down from the past two years but, under the current circumstances, we are pleased with the result. It took a great team effort to make this a successful fundraiser! THANK YOU

On the subject of fundraisers, please consider ordering our **Fish Dinners** during the Lenten season. Every Friday Night through Good Friday (April 2), we will be serving curbside pick-up at the front door of the Post. The meal will consist of 3 pieces of fried cod, french fries, cole slaw and tartar sauce.

- Call ahead orders are requested, but not mandatory, at 630 894-8524.
- The cost is \$8.00 for veterans and \$10.00 for everyone else.
- Progressive 50/50 Raffle
- Queen of Hears tickets

The curbside pick-up has been a success so far and the clubs of the Post (a.k.a. our **Legion Family**) are looking to extend the concept past the Lenten season. Stay tune to see what else they've got cooking!

As the State of Illinois eases restrictions, (and they are) we look forward to getting back to our mission of helping veterans at North Chicago and Hines hospitals. When we are allowed to go back please consider volunteering your time.

Community Note:

I'm delighted to report that the current mayor of Roselle, **Andy Maglio**, has donated \$1,000.00 to the **RALCF** to help maintain the **Roselle Veterans Memorial!** If you see him please say thank you to acknowledge his generosity.

In closing, please stop in regularly to our website at alpost1084.com for updated information and events.
